Product Change / EOL Notification

Affected products: MR 88 Mixer

Classification: End of life (EOL)

Effective date: 29/07/2026

Last ship date: While stocks last (subject to availability)

Dear Customer,

Clockaudio Ltd wishes to inform customers that the MR 88 Mixer has reached End-of-Life (EOL) status and is discontinued with immediate effect.

Limited stock remains available, and orders will be fulfilled on a first-come, first-served basis until stocks are depleted. As availability cannot be guaranteed, we recommend that the MR 88 is not specified for new projects or installations.

We sincerely appreciate your business and thank you for your continued support. We apologise for any inconvenience this product discontinuation may cause.

Yours Sincerely

Clockaudio Ltd
