**FOR IMMEDIATE RELEASE**

## Clockaudio is Set to Exhibit in Booth 7-S200 at ISE 2019

**January 14, 2019 – Waterlooville, Hampshire, United Kingdom** - Clockaudio Ltd., a global leader in pro-AV microphone technologies based in the UK and with offices in North America and Asia, is getting set to appear on the ISE show floor at the RAI Amsterdam in the Netherlands this coming February 5-8, 2019.

ISE 2018 attracted 80,923 attendees, of which 22,000 were visiting the show for the first time while 1,296 exhibitors filled the floor space in 15 halls. ISE 2019 is expected to increase on these record breaking figures.

Jim Hallington, Managing Director for Clockaudio Ltd. says, "We continue to be excited about our participation in ISE. We have seen tremendous success and have created many business opportunities over the years from this show. We believe that it will be another great year at ISE 2019 and we are looking forward to it."

Clockaudio is an International trendsetting developer and manufacturer of Professional Microphones and Audio Processors. At ISE, the company will be exhibiting their latest products as well as a range of their most popular ceiling microphones, wireless systems, and extensive array of gooseneck and boundary microphones.

Rod Geary, International Sales & Marketing Manager for Clockaudio comments, "This show is always an excellent chance to meet face-to-face with clients, consultants, integrators and potential prospects. We enjoy engaging with the industry and discussing project challenges that enable us to showcase our customization capabilities." For more information about the event, visit the ISE website at [www.iseurope.org](http://www.iseurope.org). Clockaudio's booth stand at the show will be 7-S200.

### **ABOUT CLOCKAUDIO**

For over 20 years, Clockaudio has been dedicated to manufacturing innovative pro-audio products. With Corporate Headquarters and Manufacturing located in the United Kingdom and offices located in North America (Montreal, Canada) and Asia (Singapore), Clockaudio is led by a talented team of audio specialists dedicated to quality, service and innovation.
