## **New Partnership with Distributor CAD System Brings Clockaudio to Poland**

**March 15, 2017 – Waterlooville, Hampshire, United Kingdom** – Clockaudio, a global leader in pro-av microphone technologies based in the UK and with offices in North America and Asia has partnered with distributor, CAD System, to bring their products and expertise to Poland.

Working with CAD System, Clockaudio will have the opportunity to introduce their variety of professional and excellently engineered technologies to a new market and demonstrate the quality of their products and their commitment to creating a solution that works best for each client and project.

Rod Geary, International Sales & Marketing Manager for Clockaudio, Ltd., is excited about the new opportunity to work together. *“CAD System is dedicated to following all aspects of their projects from start to completion with such great detail. I know we’re going to be able to collaborate and find the best products for each situation and continue to deliver quality products and great finished designs.”*

CAD System is owned by Ireneusz (Irek) Brzóška. His Sales Manager, Maciej Zmijewski had this to say about joining the Clockaudio team, *“We are very pleased to be a distributor of Clockaudio products in Poland. The products offered by the company are very high quality, easy to install, and are discreet in their design.”* He adds, *“In comparison to products offered on the Polish market, Clockaudio products are top shelf and perform even better from a technical point of view. As a partner, we are looking forward to promoting the Clockaudio brand in our market, as well as to building a chain of Clockaudio partners in Poland.”* CAD System intends to create a dedicated website for Clockaudio.

## **ABOUT CLOCKAUDIO**

For over 20 years, Clockaudio has been dedicated to manufacturing innovative pro-audio products. With corporate headquarters and manufacturing located in the United Kingdom and offices located in North America (Montreal, Canada) and Asia (Singapore), Clockaudio is led by a talented team of audio specialists dedicated to quality, service and innovation.

On a global level, audio professionals actively seek out and recommend Clockaudio for its reputation as a trusted and responsive manufacturer and its customer driven approach to audio solutions. Central to this is the in-house research and development that Clockaudio consistently reinvests in which allows clients to explore customized prototypes and develop specific briefs in partnership. Consultants and contractors alike help to drive Clockaudio's product development process and appreciate the opportunity to be involved in the engineering process and final solution. The ability to customize is just one of the many factors which makes Clockaudio clearly different.

For the latest information on our new products, news and projects, follow Clockaudio on twitter and like them on Facebook.
