

## Product Feature of the Month

### Clockaudio's C011E-RF and C012E-RF Series

These condenser microphones' design is for a through desk/ceiling/panel mount, boundary layer type with a cardioid (C012) or an omni-directional polar pattern (C011). These microphones are made of a robust, high-quality brass construction with a low profile robust brass top. It is terminated with a male 3 Pin XLR.

Both microphones are powered by a 9 to 48 volts phantom power adaptor which also includes filters that will eliminate all GSM frequencies from 800-1200 MHz. Frequency response 50 Hz to 18 KHz; Sensitivity -37dB +/- 3dB @ 1Khz (0dB=1V/Pa) Impedance 200 Ohms.

Total harmonic distortion (THD) at an operating level of 120dB is no greater than 1%. Also included, are top and bottom rubber shock mounts, isolating it from the hard surface.
