## **Pink Noise Professionals Added as a New Distributor for Clockaudio in India**

**September 1, 2019 – Waterlooville, Hampshire, United Kingdom** – Clockaudio, a global leader in pro-av microphone technologies headquartered in the UK and with offices in North America and Asia has partnered with distributor, Pink Noise Professionals to represent and support their products in the growing Pro-AV market in India.

Working with Clockaudio, Pink Noise Professionals will have the opportunity to introduce a variety of professional and excellently engineered Pro-AV technologies to an emerging and exciting market that is poised for ambitious growth.

Pink Noise Professionals Pvt. Ltd caters to many industries like corporate, broadcast, live sound, public sector, hospitality, studios etc. with the latest and upmarket product range and technology. In each range, they strive for equipment of the highest quality to create the best possible solutions. They also specialize in marketing & promotions of the brands they represent and keeping the vision and mission of their principles intact.

Of their mission, Vijay Sinha, one of the Directors for Pink Noise Professionals says, “Driven by ethical policies we create a transparent business structure for our customers, employees and for the protection of corporate integrity. We are delighted to add Clockaudio to our offering.”

Jim Hallington, Managing Director of Clockaudio Ltd., is excited about the new representation in India and comments, “We have been looking for the right partner in India, and feel that we have found this with the team at Pink Noise Professionals. Their expertise in providing video conferencing solutions is well-known, and we feel fortunate to have found a new distributor and voice in this territory for Clockaudio.”

## **ABOUT CLOCKAUDIO**

For 25 years, Clockaudio has been dedicated to manufacturing innovative pro-audio products. With Corporate Headquarters and Manufacturing located in the United Kingdom and offices located in North America (Montreal, Canada) and Asia (Singapore), Clockaudio is led by a talented team of audio specialists dedicated to quality, service and innovation.

On a global level, audio professionals actively seek out and recommend Clockaudio for its reputation as a trusted and responsive manufacturer and its customer driven approach to audio solutions. Central to this is the in-house research and development that Clockaudio consistently reinvests in which allows clients to explore customized prototypes and develop specific briefs in partnership.

Consultants and contractors alike help to drive Clockaudio's product development process and appreciate the opportunity to be involved in the engineering process and final solution. The ability to customize is just one of the many factors which makes Clockaudio clearly different. For the latest information on our new products, news and projects, visit [www.Clockaudio.com](http://www.Clockaudio.com), follow Clockaudio on twitter and like them on Facebook.
